

Safety and compliance made simple.

SkillSignal is the only all-in-1 platform to manage jobsite safety & compliance. Made for Construction. Trusted by 40,000+ construction pro's and 2,000+ crews.

YOU WANT TO SIMPLIFY EMPLOYEE TASKS & RECORDS:

- ✓ Used on 100's jobsites by leading GC's and Subs.
- ✓ Know your workers: training, certifications and other professional credentials.
- ✓ Protected & private data, meeting HIPAA requirements.
- ✓ 100% mobile apps, 6 languages. Paperless. Contactless.

YOU WANT TO REDUCE FIELD ADMIN WORKLOAD:

- ✓ Technology helping overworked foremen accomplish tasks easily.
- ✓ Exclusive foreman app with real-time field dashboard.
- ✓ Digital documents: JHA/JSA, PTP, toolbox talks in minutes and without typing (speech to text) !

YOU WANT TO OPTIMIZE EFFICIENCY AND PROFITABILITY:

- ✓ Hyper-competitive, no-surprise pricing.
- ✓ Control risk & liability: OSHA, NY LL196, GC, insurance reqs.
- ✓ Save your overworked corporate staff an average 20% in admin time.
- ✓ Average 70% reduction in worker safety orientation time.
